Integration of the HARDO brand into GRUPA WOLFF

Dear Customer,

We are transferring the manufacture of HARDO-branded products to GRUPA WOLFF.

HARDO Czapski i Wspólnicy Spółka Jawna, which has manufactured HARDO-branded products to date, has had ownership ties with GRUPA WOLFF since it was established. The transfer will support the brand's continued development, simplify order processing and make it easier for you to work with us.

From now on, the manufacturer of HARDO-branded products will be:

GRUPA WOLFF Spółka z ograniczoną odpowiedzialnością Spółka komandytowa (Ltd., LP)
ul. Spacerowa 5, 32-083 Balice
Tax ID (NIP) 6792253664 | National Business Registry No. (REGON) 351258092 | National Court Register No. (KRS 0000942344)
(referred to below as GRUPA WOLFF)

Order fulfilment and Terms of Business

During the transition, GRUPA WOLFF may fulfil and invoice orders placed under quotations issued by HARDO. If responsibility for an order we have already accepted is transferred, we will complete the required formalities and make the necessary arrangements.

Agreed prices, delivery dates, payment terms and warranty terms **will remain in effect**. We will fulfil accepted orders in line with the agreed technical specifications.

Product specifications and certification documentation

As GRUPA WOLFF takes over manufacturing, we are updating the information in ATEX and IECEx certificates as well as in Polish certification documents (CNBOP-PIB). We are also updating declarations of conformity, product markings and accompanying documentation.

Subject to the exceptions below, products covered by existing certificates will retain their technical specifications, permitted applications and conditions for safe use. Company

HARDO CZAPSKI I WSPÓLNICY SPÓŁKA JAWNA
32-083 Balice, ul. Spacerowa 5
Tax ID (NIP) 5130276737
Registered in the National Court Register by the District Court for Kraków-Śródmieście, 12th Commercial Division. KRS 0000949809, REGON 521081535

identification details, document or revision numbers and issue dates may be updated in line with the procedures of the relevant certification bodies.

For HCS1P control stations and switches, HTB1P junction boxes, HSB1P socket outlet distribution boards and other engineer-to-order (ETO) equipment that uses GRP enclosures, we expect changes to the technical specifications covered by certification. **We will fulfil orders placed under valid quotations on or before 31 December 2026 in line with the specifications in those quotations, provided the order lead time is 60 days or less.**

For orders placed after that date, the specifications in earlier quotations for these series must be reconfirmed. In exceptional cases, we may agree a later deadline for placing orders under the previous specifications. Please contact your account manager promptly if you need to discuss an extension.

The product markings and documentation supplied with your order **may identify GRUPA WOLFF even if an earlier quotation or datasheet named HARDO**. Each delivery will include documentation for the configuration supplied and its certification.

Order and documentation requirements

If your purchasing procedures, project documentation or the project owner's requirements specify a particular supplier, manufacturer, certificate holder or document number, please let your account manager know. This will allow us to agree on any necessary changes and obtain the required approvals before fulfilling your order.

Please note that the transition requires coordination among several independent organisations, including notified bodies. Therefore, during the early stages, we estimate that some product documents may be delayed by up to two weeks.

For quotations, orders, documentation, after-sales support or any questions about this notice, please contact your account manager.

Yours faithfully,

HARDO. Czapski i Wspólnicy Spółka Jawna Spacerowa 5 32-083 Balice, Poland NIP: PL5130276737
